Newsletter

"Alastair and Ed are a pleasure to work with. They are true professionals and honest in their dealings, and I will not hesitate to use their services, as I have done in the past."

How we are different

Unlike the majority of other bloodstock agencies, SackvilleDonald is different in that both Alastair and Ed specialise in different areas; Alastair in horses-in-training and Ed in breeding stock. Come the yearling sales they work as an effective and highly successful team.

"I have worked solely with Alastair for over 10 years in purchasing horses from Europe, and in that time he has helped me to purchase the winners of 14 Group 1 & 27 Group races. He is extremely easy, efficient and trustworthy to work with."

September 2013

Spring 2011 saw Ed Sackville and Alastair Donald launch SackvilleDonald. Roll on two years and 2013 has been a year that has firmly put us on the international map. In two years of business we have had 13 Gr1 wins, 6 Gr2, 16 Gr3 and 14 Listed race wins.

Sky Lantern

Sky Lantern, a €75,000 yearling purchase by Ed and already a Gr1 winning 2yo, readily won Europe's first fillies Classic, the 1,000 Guineas. A month later she showed it was no fluke with an emphatic victory in the Gr1 Coronation Stakes at Royal Ascot.

Military Attack

Exactly two weeks after the Guineas, Military Attack, purchased by Alastair as a horse-in-training, was a very impressive three length winner of the Gr1 Singapore Cup, earning his owners over £850,000 in prize money. Military Attack went on to be named Hong Kong horse of the year.

Other highlights of 2013

- Stakes winners in Europe, USA, Canada, Hong Kong, Macau and Singapore and also 2 winners at the Dubai Carnival.
- 19 individual 2yo winners including a Gr3 Glorious Goodwood winner and a 2yo track record breaker.
- 20% of all horses rated over 100 in Hong Kong were purchased by SackvilleDonald.
- Byrama became a Gr1 winner – her dam Aymara was a SackvilleDonald purchase.
- SackvilleDonald purchased Gr1 winner Belle Royale – named Biggest Bargain of 2012 at the Racing Post awards.
- Yearling purchase Simenon – 2nd in Gr1 Ascot Gold Cup.

We have also increased our presence in the emerging Chinese market by making our website accessible to Chinese language speakers, and launching Chinese social media pages. Prospective Chinese clients will be able to **contact us** in Chinese to discuss their requirements.

Both Military Attack and Sky Lantern will hopefully continue to fly the flag for SackvilleDonald for the rest of the year and they may even meet in December in the Hong Kong Cup!

Best wishes,
Ed and Alastair
